Complete the missing words from the spaces (_):
The European Green Deal (EDG) is a package of policy initiatives, which aims to set the EU on
the path to a green transition, with the ultimate goal of reaching climate neutrality by 2050.
The primary goals under the Deal are net zero emissions of greenhouse gasses by 2050; economic
growth is decoupled from the exploitation of resources; no one being left behind. In this aim,
the main policies set in 2021 by the EU Commission included in the European Green Deal are in
connection to _ building and renovating.
